The Performance Auto Team has been doing business in Snohomish County since 1989. We are proud of our community involvement and want to help during this time of economic uncertainty. We are pleased to announce our Community Reinvestment Program. Your employees are eligible for Community Partner pricing from Performance Nissan. This plan enables employees and family members to buy a new Nissan at a set, hassle-free price only available to Community Partner participants. This exclusive pricing has been established to reward **EMPLOYEES OF BUSINESSES IN SNOHOMISH COUNTY.**

**To demonstrate our appreciation, as an employee of one of our valued business partners we are offering you:**

- ✓ Preferred customer pricing on new and pre-owned
- ✓ Maximum trade-in value
- ✓ Opportunity to lower current payment
- ✓ Multiple finance options
- ✓ Extensive inventory of new and pre-owned inventory

As a courtesy for our business program partners we can also assist you with the purchase of one of our quality pre-owned vehicles with finance programs available for everyone. We take pride in working with every customer, one-on-one, to provide a hassle-free buying experience with excellent customer service!
